

Super N® Urine Digester w/Odor Neutralizer

Urine Digester breaks down and digests organic odor and waste. Contains bacteria, enzymes and odor counteractant. RTU or dilutable for use on hard surfaces or carpeting.

Key Features

- Concentrated Bio-Enzymatic Urine Digester formula contains selected strains of natural bacteria (bacillus), enzyme cultures, an odor neutralizer and surfactants.
- Provides immediate relief by neutralizing odors, as well as eliminating the source of the odor.
- This product does not contain any harsh chemicals such as solvents, acids, caustic or undesirable pathogens such as salmonella or pseudomonas.
- Bio-Enzymatic Urine Digester a natural process of digesting organic waste which causes undesirable odors.
- Apply Urine Digester once a day during regular cleaning schedules
- Urine Digester penetrates deep into the grout and sub floor where a bulk of the urine is located.
- Bacteria will actually "SEEK OUT" the deeply embedded urine
- Can be combined with most neutral cleaners.
